

ROTARY MEANS BUSINESS!

Marin County

How's business?

A business networking opportunity is now available for all Rotarians in Marin County! The purpose of the group is to facilitate Rotarians doing business with other Rotarians, fellowship, and to promote Rotary! Bring your business cards, flyers, and brochures describing your business or announcing your events. You will have time to introduce your business and hear about others. Also feel free to publicize your club's fundraising and social activities!

When your business is successful, so is Rotary!

We meet on the fourth Monday of each month.
